Stephen C. O'Connell Center Payroll Signature Certification

The Stephen C. O'Connell Center will be tracking employee hours electronically through the use of KRONOS, a Time and Attendance time clock system. It is the responsibility of the employee to become familiar with all procedures associated with the system. Any questions or concerns should be immediately directed to the O'Connell Center Business Office.

Please read each of the statements below:

- (1) I understand that I am ultimately responsible for tracking and recording the hours I work. If I believe there is a discrepancy in the time I worked and the time reflected in my paycheck, I must bring it to the attention of the Business Office staff.
- (2) I understand that I am to personally enter my UFID number into the time keeping terminal. I may not at any time enter the UFID number of any other employee or allow any other employee to enter my number.
- (3) I understand that I will be paid on a biweekly basis and that my hours on each paycheck are based on a **two week period** that begins at 12:01am on a Thursday and ends at 11:59pm on a Wednesday. PLEASE NOTE: The dates used to calculate your pay are different than the dates used to calculate that you are within your weekly hours limit that UF allows (ex. You have two jobs on campus and can only work 31 hours per week between the two of them based on your work permit). See example below for more details.

EXAMPLE OF CALCULATING PAY vs HOURS:

- The pay period in this example is 12:01am on Thursday the 9th through 11:59pm on Wednesday the 22nd
- Pay day in this example is the 31st
- To calculate your hours to make sure you do not exceed your weekly hours limit, you would add your hours from 12:01am on the 10th – 11:59pm on the 16th and then 12:01am on the 17th – 11:59pm on the 23rd for the 2nd week, and so on and so forth for all future weeks

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 <small>Canada Day</small>	2	3	4 <small>Independence Day</small>
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	31	

****INTERNATIONAL STUDENTS ****

Please note that while your pay is based on the Thursday to Wednesday system, to track YOUR 20 HOUR weekly maximum you must begin your calculations on 12:01am each Friday and end at 11:59pm the following Thursday. It is important to know the difference so that you do not exceed the 20 hour per week limit. Any questions, please let us know.

Certification: I certify that I understand all statements in this document and confirm that the hours recorded electronically by the time and attendance system accurately reflect time worked and time earned for pay purposes during the pay period. I understand that falsification of time worked is cause for immediate dismissal. I also understand that any corrections that need to be made after the pay period cutoff deadline will be adjusted during the next pay period.

Voluntary Self Identification of Protected Veteran Status

This employer is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans.

These classifications are defined as follows:

- A “**disabled veteran**” is one of the following:
 - A veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or
 - A person who was discharged or released from active duty because of a service-connected disability.
- A “**recently separated veteran**” means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.
- An “**active-duty wartime or campaign badge veteran**” means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.
- An “**Armed Forces service medal veteran**” means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor's Veterans Employment and Training Service (VETS), toll-free, at 1-866-4- USA-DOL.

If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box below. As a Government contractor subject to VEVRAA, we request this information in order to measure the effectiveness of the outreach and positive recruitment efforts we undertake pursuant to VEVRAA.

Please check one of the boxes below:

- I identify as one or more of the classifications of protected veteran listed above.
- I am not a protected veteran.

Why are you being asked to complete this form?

We are a federal contractor or subcontractor. The law requires us to provide equal employment opportunity to qualified people with disabilities. We have a goal of having at least 7% of our workers as people with disabilities. The law says we must measure our progress towards this goal. To do this, we must ask applicants and employees if they have a disability or have ever had one. People can become disabled, so we need to ask this question at least every five years.

Completing this form is voluntary, and we hope that you will choose to do so. Your answer is confidential. No one who makes hiring decisions will see it. Your decision to complete the form and your answer will not harm you in any way. If you want to learn more about the law or this form, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.
